MARKET SHORTAGE RESPONSE

Akorn Pharmaceuticals is committed to providing you consistent availability of critical medications. Considering today's problematic shortages of some key critical drugs, we have allocated our available resources to support products that are in market shortages. We have secured all necessary resources to ensure increased product availability from Akorn.

Akorn product is currently available through your authorized wholesaler or distributor. We continue to deliver all available product(s) on a regular basis. Check with your authorized wholesaler or distributor for local availability.
