3/15/2012

Dear Valued Customer,

Akorn Pharmaceuticals is pleased to announce that we have acquired Nembutal® Sodium Solution CII (pentobarbital sodium injection, USP), Cogentin® (benztropine mesylate injection) and Sodium Diuril® (chlorothiazide sodium injection, USP) from Lundbeck Inc. Akorn has initiated the full integration of Nembutal®, Cogentin®, and Sodium Diuril® operations to support these important products' continued market availability.

Availability and Ordering

Nembutal® Sodium Solution CII 50 mg/mL Vial 20 mL & 50 mL, Cogentin® 1 mg/mL Ampule 2 mL, and Sodium Diuril® 0.5 g Lyophilized Vial are currently available through your current wholesale and distribution channels. Through this transition you should continue to place your orders through your authorized wholesaler or distributor via your existing processes. You will have no disruption in supply of these products. Additionally, Cogentin® and Sodium Diuril® will be available direct through Akorn at this time.

Should you have additional questions or need further information about Nembutal®, Cogentin®, or Sodium Diuril®, please contact our Akorn Customer Service team at 1-800-932-5676 or visit us online at www.akorn.com

Thank you for your continued support of the Akorn product line.

Sincerely,

Brett Novak
VP Sales and Marketing
